WILL YOU STAND OUT FROM THE CROWD ????

Without volunteers, who form the Committee to ensure the smooth running of the Centre, plan the rallying programme, social evenings, we would not have a Centre. There are various jobs that need to be done and your talents and expertise would be very much appreciated.

Are you able to spare one evening each month to help to run your club?

Talk to one of this year's Committee members and then let us have your nomination form.

PLEASE STAND FOR COMMITTEE 2019 - 2020
